John J. Pershing Virtual Clubs!

Just because we are learning remotely doesn't mean we cannot have some fun! These clubs meet on Thursdays and Fridays from 3:00pm to 4:30pm.

Debate Club-

Join the award winning IS 220 Debate team! Debate will help develop many different skills for the classroom and participating in debate gives students an improved perspective on the world around them. You'll learn about important issues and how to make impactful arguments to prove your points. We will also compete against other schools throughout New York City and represent IS220 proudly.

There is limited capacity for this club.
If you are interested in joining, please email Mr. Herr at jherr@pershing220.org

Newspaper Club-

Newspaper Club is a really fun after school club where students write, research, draw, and work together to create a monthly newspaper.
Newspaper Club Roles:
Reporter
Creative Writing
Artwork/Comics
Editing

There is limited capacity for this club.
If you are interested in joining, please email Mrs. Torres at vtorres@pershing220.org

Pershing Student Equity Team-

The Pershing Student Equity Team is open to all
students who want to discuss how to create a
safe and inclusive school environment.
In our meetings we will discuss:

- How to promote an inclusive environment
  within our classrooms and friend groups
- Effective communication
- How we can promote positive change in our community

If you are interested in joining, please email Ms. Matthews
kmatthews@pershing220.org

G.E.M.-

The Girls Empowerment Movement (GEM) is a group that
teaches students how to manage stress, form healthy
relationships, make educated decisions, succeed in school and
the workforce. We examine the lives and accomplishments of
women who made a difference in society and use their
journeys as an inspiration.

If you are interested in joining, please email Ms. Baldassano at
Lbaldassano@pershing220.org

Green Team-

Looking to make an impact in your community? Join John J Pershing Green's team. We are looking for students who want to make a change and impact their community.

Computer Coding Club-
This year students will have two choices in what to learn in our after-school coding club.
1) Coding your own games, visual art and animations using the coding language SCRATCH.
2) Learning to design beautiful web pages with the professional computer languages HTML and CSS.

If you are interested in joining, please email Mr. O'Donnell at todonnell@pershing220.org

Yearbook Club-

We are currently assembling this year's senior events & activities. We would like to have student input for the 20-21 yearbook. All grades are invited to join this club.

If you are interested in joining, please complete the google form below:

Drama Club/ Broadway Jr.-

Students will have the opportunity to sing, dance, and act in a virtual musical this year! The final performance will take place online after we have had time to learn lyrics and music, practice dance routines, and rehearse scenes. Broadway Jr is a great place to make friends and memories for 6th, 7th, and 8th graders.

If you are interested in joining, please email Ms. Mazur at
smazur@pershing220.org

Art Club-

"Are you in 7th grade? Do you dream of applying to an arts high school?" If you answered yes to both questions, then you are a PERFECT candidate to join Ms. Trabacchi's portfolio development club! Together, we will study art concepts that will help you start building a strong portfolio for your 8th grade high school auditions.

There is limited capacity for this club.
If you are interested in joining, please email Ms. Trabacchi at
